

1. There were two more approvals for procurement of Laptops for GM (Engg. Services, AP) and GM (Mill, AP), respectively. [Approval dated November 15, 2017 and February 22, 2017 respectively].
2. The Purchase Requisition for both these Laptops was 1 /PR /180485 dated 05.01.2018. The specification was **Processor: Core i5 (5th Gen); RAM: 4 GB DDR3; Screen Size: 15.6"; Operating System: Windows 10; Weight 1.0 – 1.3 Kg (Light Weight); Make: HP /Dell /Lenovo.**
3. Quotation had been obtained by a Purchase Committee for emergent purchase of these laptops. The quotations were for higher models as the specification in the PR is outdated. The quoted RAM and Processor were DDR 4 type and Core i5 (7th Generation) against requisition for DDR 3 type and Core i5 (5th Generation), respectively. However, the quoted rates were very high.
4. In view of the above, it was advised to review the specifications put up a fresh proposal based on market survey of offers from reputed online marketing companies for the following requirements:
 - a. Procurement of Laptops for GM (ES, AP) & GM (Mill, AP) for their official use.
 - b. Procurement of an higher configuration Laptop for GM (Mines, AP) for his official use similar to that of other two GMs. The present Laptop of GM (Mines, AP) procured in the year 2013 shall be used for other official works.
5. Accordingly, the proposed revised specification is as under.
 - a. **Make:** Lenovo /HP /Dell
 - b. **Processor:** Core i5 (8th Generation) or higher.
 - c. **Hard Disk Capacity:** 2 TB
 - d. **RAM:** 8 GB DDR 4 type or higher.
 - e. **Graphics:** 4 GB or higher.
 - f. **Screen Size:** 15.6 inch approx.
 - g. **Operating System:** Pre-installed Genuine Windows 10 Operating System (Includes Built-in Security, Free Automated Updates, Latest Features).
 - h. **Application Software:** A recent version of Microsoft Office.
 - i. **Onsite Warranty:** Three Years.
6. The online price of a PC with above configuration as on June 22, 2018 is **Rs 65,190/- for 1 year warranty** [HP Pavilion Core i5 8th Gen - (8 GB, 2 TB HDD, Windows 10 Home, 4 GB Graphics) 15-CC132TX Laptop Rs.65190].
7. The price of three such Laptops at this rate is Rs 195,570/-.
8. As companies provide two year care packs at par with 1 year onsite warranty, it is preferable to have **Three Years Onsite Warranty** so that costly AMCs can be avoided at a later stage.
9. The approximate cost for three Laptops as proposed above shall be around **Rs 200,000/-**.
10. The proposal may kindly be approved.
