

N-3

As per PR, our requirement is in Cu. Mtr. Indenter has certified on NP-2 that required item is available in per kg.basis on Gem Portal. In order to issue enquiry on Gem Portal unit code may be corrected in OMMS system as Kgs. Indenter may like to give their comments in this regard. If it is not possible then we may issue Custom Bid on Gem Portal with required unit code in Cubic Meter. In case of issuance of Gem Custom Bid followings are required :

1. Consent for all the four points narrated in the document placed opposite in the file is required in order to issue Gem Custom Bid. Consent letter may kindly be signed by the concerned indenter along with name and designation.
2. Duly signed technical specification may kindly be provided in separate sheet.
3. Landed Estimated rate and landed estimated value may kindly be provided in separate sheet.

In light of above , file is being referred to the Indenter for their comments and approval of competent authority may kindly be accorded regarding above.
