

Annexure-A

motor & af  
Screw Compressor with integrated Air Dryer and Accessories including Motor.

- Type of compressor : Oil injected, air cooled, screw type compressor
- No. of stages : Single stage
- Compressor capacity : 80 cfm
- Operating pressure : 7Kg/cm<sup>2</sup>
- Max. unloading pressure : 7.5 Kg/cm<sup>2</sup>
- Service factor of Motor : 1.3
- Supply voltage and frequency : 415 V +/- 10%, 50Hz +/- 5%, 3 phase
- Air Cooled Refrigerated Air Dryer suitable for 80 cfm compressor
