

Technical Specification for WK-125/8 Pump**Pump Specification**

Type : Horizontal Centrifugal multi stage pump
Head :200-210.....Mtr
Capacity :100.....Mtr³/Hour
Liquid : Semi Clear mine water
Sp. Gravity of Liquid : 1.0
Efficiency : 65%-75%
Temp : Ambient
Size Suction/ Delivery : ..150.. mm/..100... mm

Electric Motor Specification:

Type : ...110..... KW, 3 phase 1450 rpm, TEFC, class-B/F
Insulation Class : F/B
Frequency : 50 Hz
Phase : 3 Phases
Power Supply : 415V +/- 10%
Rotation Speed : ..1450.. RPM

Starter Specification:

Suitable for110.....KW motor, Star Delta starter with cable entry box, ammeter
0-250Amp. Make: Siemens/L &T/ABB

Assembled with base frame, Coupling & Coupling guard With out motor
