Site mobilization shall have to be done within 15 days on receipt of LOI or as desired by UCIL Engineer-in-Charge. However, date of actual start of work shall be fixed by UCIL.

(16). EXTENSION OF CONTRACT:

Completion period of this contract is within 05 months from the date of commencement. The tenure/period may be extended for further upto 02 months if required after successful completion of initial contract period with same rate, terms & conditions of the contract with mutual consent, if so deemed fit by UCIL and agreed by the contractor.

(17) VARIATION IN QUANTITY OF ITEMS:

Variation in quantity of items mentioned under scope of work: The quantities mentioned against individual items are tentative. The actual quantities of individual items may vary (from those indicated in the tender documents due to actual conditions of the site or due to other reasons) to any extent, keeping the actual value of total work done well within $\pm 10\%$ on the contract sum or work order value. The contractor shall carry out all work up to total variations of $\pm 10\%$ on the contract sum or work order value and all tendered rates shall remain firm within this limit. Any individual item may vary to any extent and be excluded altogether.

(18) Subletting of contract:

Subletting of the contract in any form is not allowed.

GENERAL CONDITIONS OF CONTRACT

1. **Nature of Tender**:- Two Part tender
2. **Working Hours**: - From 8.00 AM to 5.00 PM on all working days (excluding Sunday & Holidays). However, contractor shall be allowed to work beyond 5.00 PM depending upon the urgency but only after obtaining permission from the Engineer-In-charge, UCIL. No extra claims shall be entertained for working beyond duty hours in such urgency.
3. **Commencement of work** : - Work will commence within one week from the date of issue of work order. Contractor will report to the Engineer In charge, UCIL immediately on receipt of work order for further instructions for carrying out the job. A letter duly signed under contractor's official seal as a token of acceptance of all terms & conditions of work order must reach in the office within two days of receipt of the order. The work order no. & date as well as name of work must be quoted in all correspondences.
4. **Payment Terms**:- Bill (s) will be paid as mentioned in clause "**payment terms**" of the general terms and Conditions etc. of contract document.

Payment will be released after satisfactory completion of the work in all respect and certification by the Engineer-in-charge, UCIL within 30 days of submission of clear bill in triplicate along with tenderer's letter head. Contractor shall mention actual date of commencement of the work in their bill (s). ***Final bill will be released only after submission of Annual Return (Format to be obtained from Site Office - Mill) and work completion letter in duplicate by the contractor.***
5. **Work Measurement & Inspection / Work Instructions** :- It is to be done jointly as per schedule of items & scope of work, etc. by the Engineer-In charge, UCIL and the Contractor. The measurement thus taken will be final and acceptable to both parties. Time to time detailed work instructions will be given by the Engineer –in-charge, UCIL.
6. **Jurisdiction / Dispute**: - Any action / dispute arisen out of or from this work order shall be subject to the jurisdiction of court of law at HYDERABAD only, irrespective of anything to the contrary mentioned in the tender / quotation. Any statutory obligation has to be made by the contractor. Tenderer will extend all help.
7. **Penalty (Liquidated Damage)**: - Time shall be the essence of the contract. Bidder shall have to complete the assigned tube replacement works within 04 weeks from the date of handing over the boiler. If the progress of work is not found satisfactory or the contractor fails to complete the works within the time frame of completion, **the corporation reserves the right to impose penalty / liquidated damage @ ½ % per week maximum upto 5% on the awarded / contract value** for each complete week between the time for completion and actual date of completion.
8. **Force Majeure**:- In case of closure / breakdown / strike / lockout or any other causes beyond control of the corporation preventing normal operation, the corporation shall be at liberty to extend the time for completion or cancel the order without any financial liability whatsoever.
9. **Termination of Contract**: The performance of the contractor will be reviewed after 45 days from the date of actual commencement of the work at site and if found unsatisfactory, UCIL reserves the right to terminate the contract with 15 (fifteen) days notice as per discretion of UCIL without assigning any reasons whatsoever. Further, UCIL also reserves the right to terminate the contract at any point of time with 15 days notice as per the discretion of UCIL without assigning any reason.
10. **Safe Transportation / Storage of Materials**: - Contractor will have to make their own arrangement for to and fro transportation of men, material and machine, etc. including loading and unloading at their own expense under this contract. Contractor will also be responsible for safe keeping of materials at their own cost issued by UCIL either free of

cost or chargeable basis.. Failing which company have the right to retain the final bill till site clearance is completed.

11. **Price Escalation:-** No escalation on any account shall be payable and price quoted shall be firm till completion of the work under this contract. ***Offers with price variation clause will be out rightly rejected.***
12. **Temporary work closure:** - If the work site is required to be suspended for some days / period because of any reason, contractor may close the site temporarily underwritten intimation *in triplicate* to the Engineer-In charge, UCIL. During the above period, the contractor will be in touch with the Engineer In-charge- UCIL for further instructions, if any. No extra claim against any idling of contractor's site crew / staff & machineries, etc. will be entertained.
13. **Material (s) Supply by UCIL and Contractor:** - The Corporation will not provide any accommodation, tools and tackles, men, material, machineries, transport, etc. for this work. **No facility / supply other than mentioned in special conditions, scope of work and schedule of items will be provided by UCIL as free or on chargeable basis. If Any other materials / facilities that are not covered under this tender but are required to complete the work, will have to be arranged by the contractor / party at their own expense. No extra claim shall be entertained against the materials that are not covered under this contract.** But contractor shall submit free samples (materials) for approval, if required and materials approved by the Engineer Incharge, UCIL shall only be used. UCIL reserves the right to reject goods which are not as per specification and in case of rejection contractor shall have to replace material free of cost. Any deviation from the tender shall be clearly mentioned in the Part-I (**Techno Commercial Bid & Bid Security Declaraton**) under the heading "**Deviation**".
14. **Contract Agreement:** - Contract Agreement should be executed in prescribed format on a non-judicial stamped paper before commencement of work within *one week* from the date of issue of work order / L.O.I. However, no payment will be made without execution of contract agreement.
15. **Rate (s) in figures and words :-** The tenderer should mention their price / item rates in figures as well as in words. In case of any dispute / ambiguity, the price / rate mentioned in words shall be considered as final. Insertions, postscripts, additions and alterations shall not be recognized unless confirmed by the tenderer's signature. **Tenderer shall quote rates(s) / price(s) in online in the provided price bid document (schedule of items and quantities). Otherwise, offers of parties quoting without this price format will be out rightly rejected.** The tenderer shall quote rates in figures and words will generate automatically.
16. **Taxes & Duties :-**

All Taxes including GST, service tax, royalties, duties, octroi etc. and other taxes for execution the contract are to be specified clearly with in figures (or %) in the price bid. The final quoted rate should be inclusive of service tax /GST applicable at the time of tender submission.

The entire amount of service tax/GST will be recovered from the RA bill & deposited directly by UCIL, if applicable.

Any new taxes imposed by Govt/statutory authority during the contract or any increase of the existing taxes at any stage during execution of the contract shall be reimbursed to the contractor on production of documentary evidence. Offers with price variation clause will be out rightly rejected.
17. **Variation in Quantity of items:** - The quantity mentioned under the "schedule of item (s)" of this tender is tentative. The actual quantity may vary from that indicated in the tender document due to actual conditions of the site or due to other reasons. The contractor shall carry out all additional work upto the **total variation of ± 10 % of the awarded value.** The other terms & conditions and rates shall remain firm within this limit.

18. **Validity:** - The offer should remain valid for a minimum period of *03 months* from the date of opening of the tender. The Tenderers shall not be allowed to increase, amend or withdraw his tender within this period and if he does so, he will be liable to take action as against EMD submitted.
19. **Documents not transferable:** - Tender documents are not transferable. These tender documents are the property of corporation. Contractor shall keep one copy of the documents at the site in good order and same shall be available for inspection and use by the Engineer Incharge, his representative or by other inspecting officer. None of these documents shall be used by the contractor for any purpose other than that of this contract.
20. **Award of Contract:** - The Corporation reserves the right to accept or reject any or all tender either in full or part or to split up the work, if necessary, without assigning any reasons therefore.
21. **Defects Liability Period:** -
Defect liability period for the replacement of boiler tubes shall be six months from the date of completion of work at UCIL Site. Defect liability period for the replacement works shall be six months from the date of completion of works at UCIL Site. The contractor shall rectify the defects, if any, detected / reported during the guarantee period under this tender from the certified date of completion of work. The contractor shall be responsible to make good and remedy at his own expense within such period, as may be stipulated by the Engineer-In-charge before the expiry of the guarantee period.
